

ance commences.

When you take into consideration that it is over ten years since you have had any traveling Indians in this section, it would seem that a child of six years, must now be sixteen years old and in all that time he has never viewed the real American. Every parent should take their children to the Robbins Bros. circus if for no other reason than that they can see the Indians in their dances and wonderful performances in Atwood Tuesday, August 26, 1924.

1924, Aug 14, Ponca Bill, 2 of 2
