Size: 0.25 cu.ft.; 1 box

BACKGROUND NOTE

Histories of Pawnee County, Nebraska, school districts were written and compiled in 1917. These histories were usually gathered and written by students, teachers, and/or district superintendents of that time.

SCOPE AND CONTENT NOTE

This collection consists of Pawnee County school district histories dating from 1917. The narratives provide information on the organization of the school district, the area comprising the district, board members, teachers, pupils who have required distinction, and the district's early settlers. In a few instances, photographs accompany the handwritten histories. A typescript of this material can be found in the NSHS Library [379.877/P339h].
