No luck on the patent yet, but I'm pretty sure this is his obit. He was born in 1919, and also found a report of a new church built in 1962 under the direction of Father Edward Valasek in Odell Nebr. Then in 63 he was in Palisade Nebr until 77. So he's the right age, and active in the Lincoln area, so most likely our priest.
